

Setting up the Catalogue App

Search for “Library Link” in the App or Google Play store and download the app to a mobile device. 

Once downloaded you need to connect to your ‘Home’ Library. Do this by opening the catalogue in a browser on another device i.e. a computer and login to the catalogue (see page 1 for instructions).

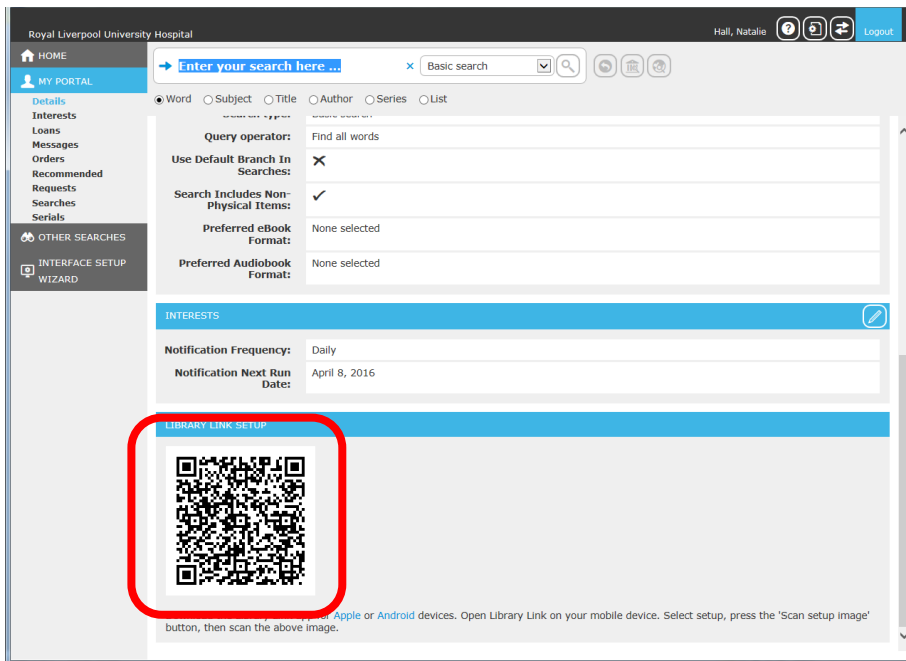

Once logged in, click on “My Portal” on the menu to the left of the screen:

Another menu will open. Click “Details”

At the very bottom of the page there is a QR code:

On the App there is a ‘Scan button’ simply point it at the QR code. This will fill in all the correct details, except your password. Enter your password (if you haven’t changed it this will be library). You can now use the app.
